

NODE NFTs

Staking Tutorial

STEP 1

Log in to your

**C LINK WALLET
WITH C1**

Welcome to

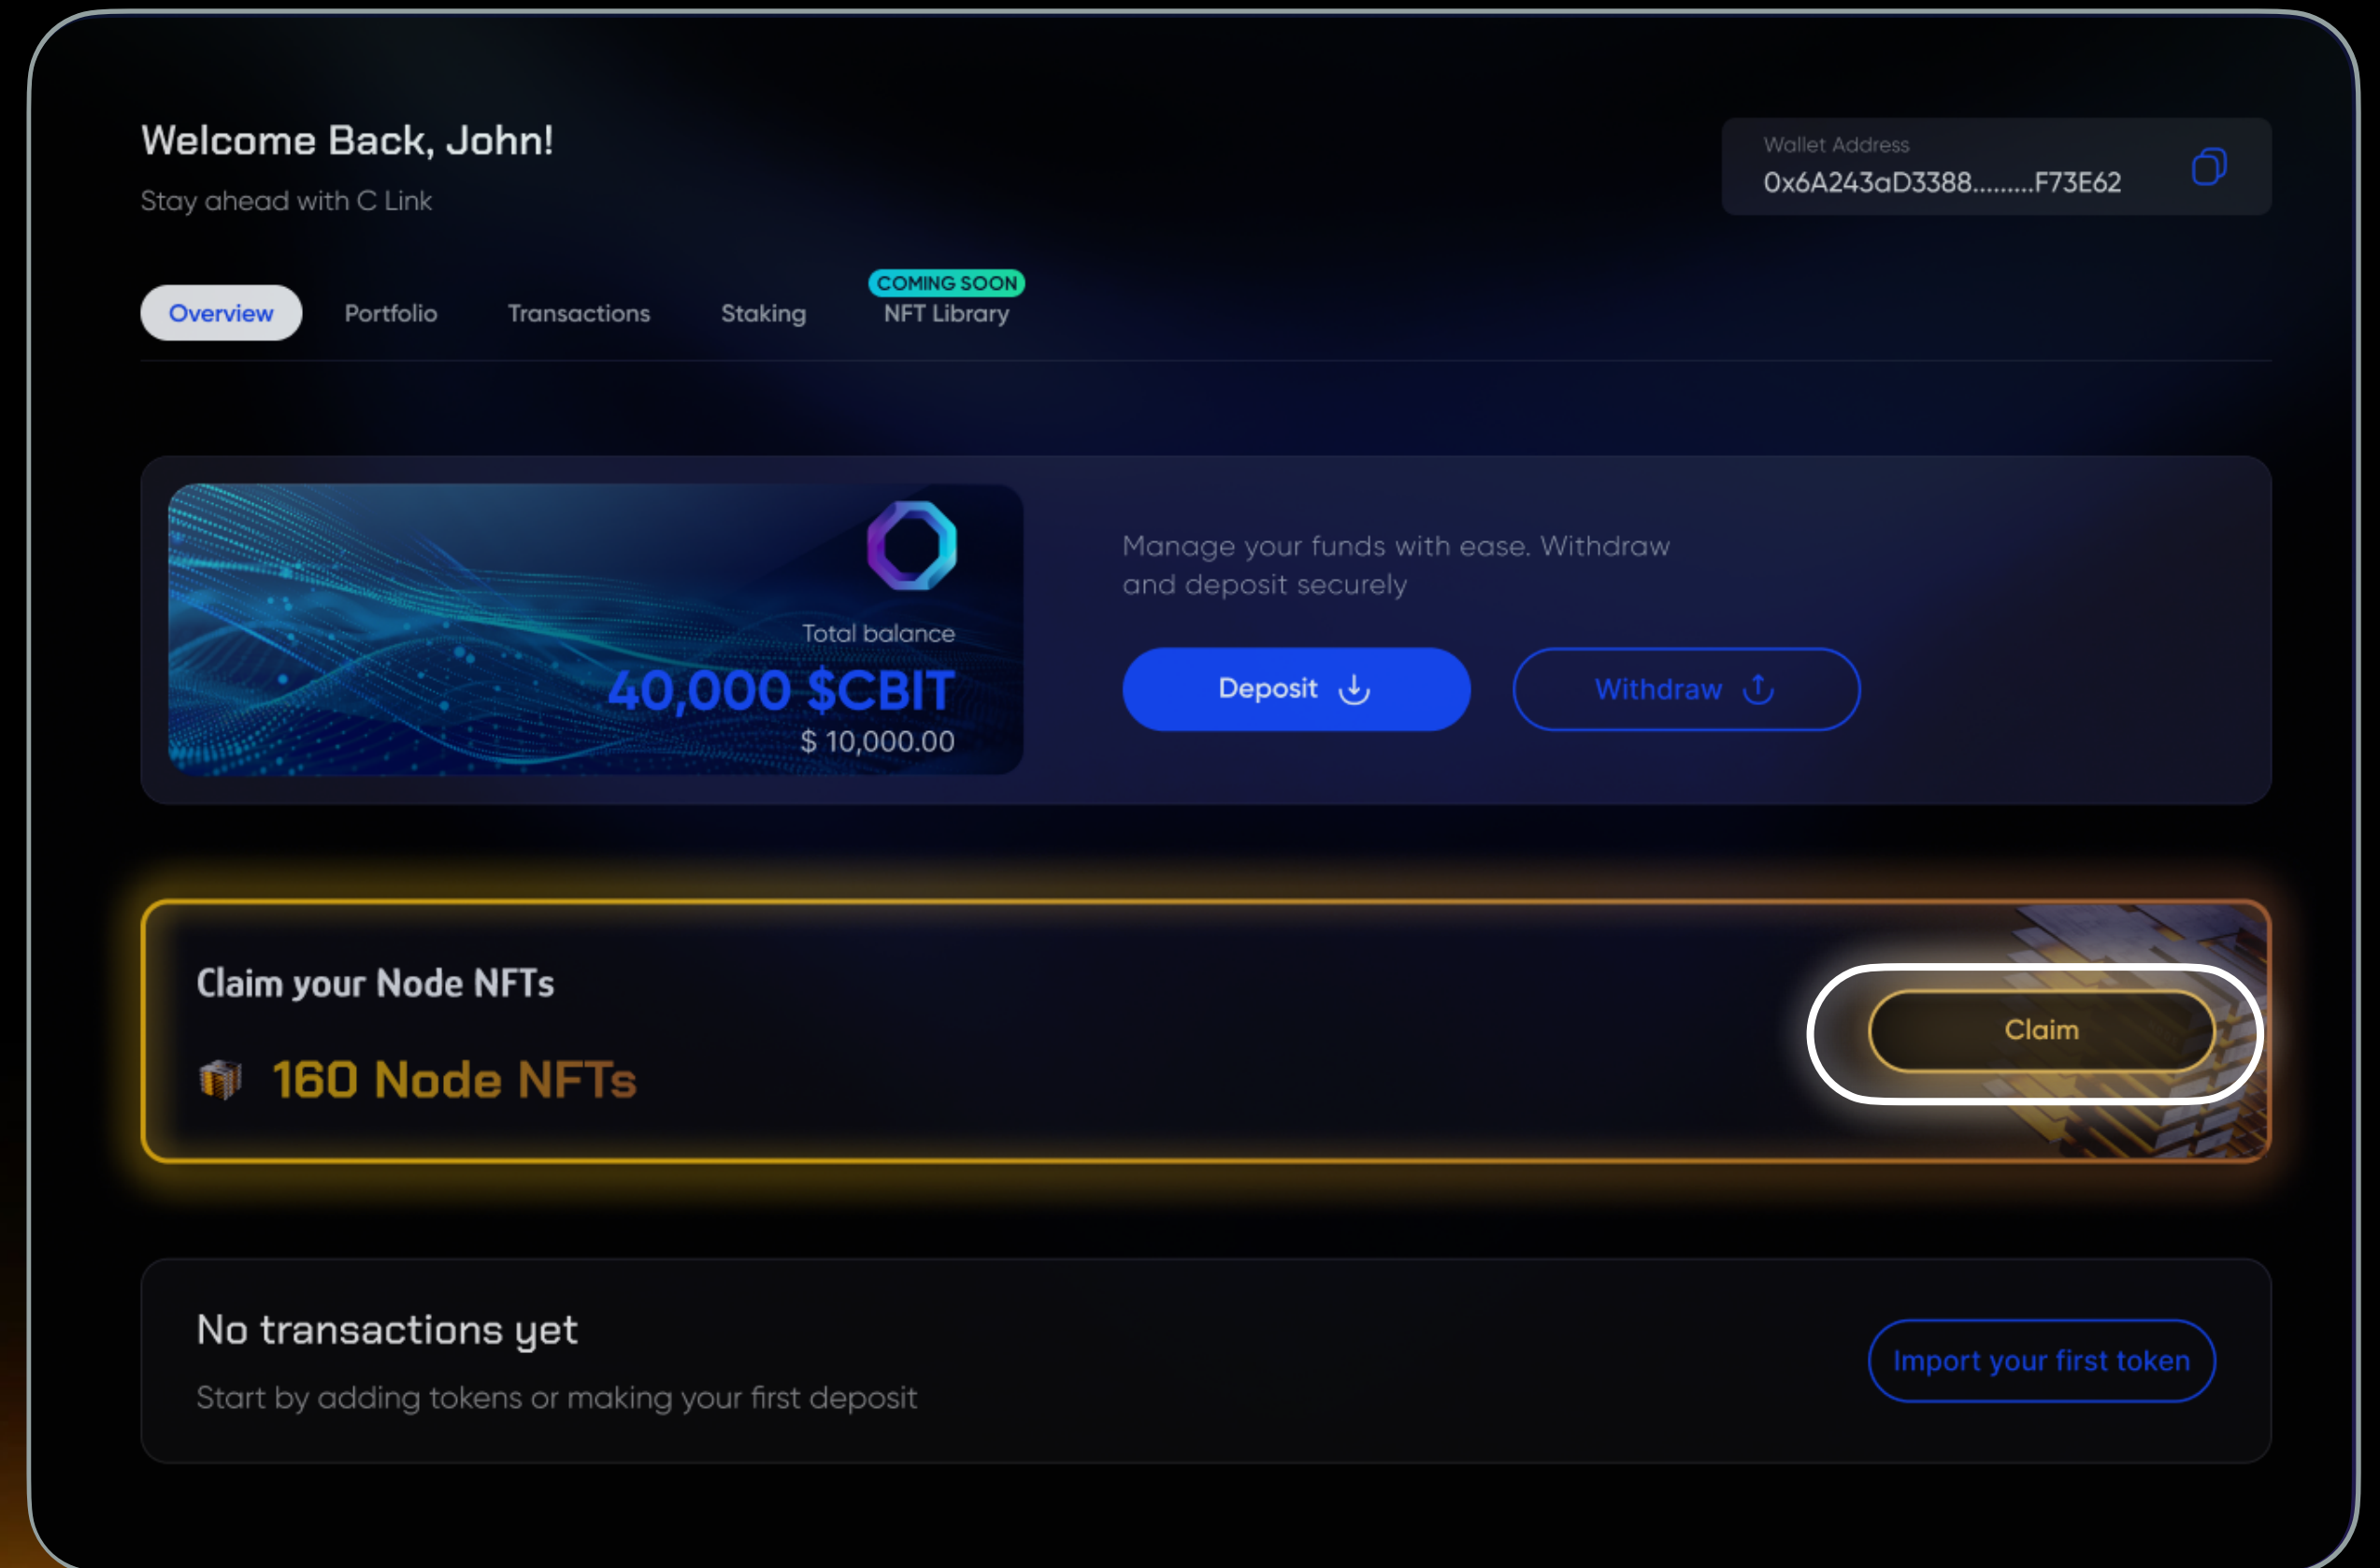

C Link

This is the future of Decentralized Finance: simple, seamless, secure. C Link presents the C Link Wallet, our Web3 wallet in BETA (V1), designed to manage all your digital assets in one place. This core version is foundational and will evolve with input from our community. Follow the steps to import your first token and begin your crypto journey.

 Log in with C1

STEP 2: CLAIM YOUR NODE NFTS

On your dashboard, you will see your pre-purchased Node NFTs ready for staking.

STEP 3: STAKE YOUR NODE NFTS

Enter the number of Node NFTs
you want to stake.

Click "STAKE"
to confirm the transaction.

There is a min lock-in of 30 days

Welcome Back, John! Secure your digital assets
